## RECOGNITION

HBA Gold Key Design Award (2006)  
College of Architecture Design Award (1998-2003)  
Charles Graves Scholarship (2001)  
Leonardi Ricci Commemorative Scholarship (2001)  
University of Kentucky Dean's List (1998-2003)

## SUMMARY

My interests are: design, technology and business. I am a creative generalist who likes to work with a team in a technological environment. I enjoy creating the material that will be used as visual communication (modeling, rendering, documenting...) that turns an idea into reality. My training and experience in multiple types of business environments has helped me keep an equilibrium between creativity and productivity.
